Dear <<NAME>>,

The City of Racine joins other communities in Wisconsin and the nation as it begins to use recycling carts in place of the current Blue Bag program. The cart program is designed to make recycling easier and save money for both residents of Racine and the City. Please use the cart. It's easy and the benefits are many:

- All recyclables are placed in the cart. No sorting. No bagging.
- Recyclables kept out of the landfill extend landfill life and save money.
- Reprocessed recyclables create revenue for the City.
- Recycling makes a cleaner, greener Earth.

Here is important information for you to know.

- A recycling cart will be delivered to your address between Monday, April 26 and Friday, May 14. Residential properties will receive a 65-gallon cart, while non-residential properties will receive a 95-gallon cart.
- Residential properties may exchange the 65-gallon cart for either a smaller (35-gallon) or larger (95-gallon) cart after a 60-day trial period, beginning Monday, July 19.
- **Your recycling collection using the new cart begins <<Service_Day>>. Recyclables will be collected every other week. A calendar of collection, as well as a collection zone map, will be mailed to you in early May.**
- Please note that your solid waste collection schedule will not be changed.

You are important to the recycling program's success. Do your part to make Racine a better place for all to live. For more information, be sure to read the enclosed brochure. If you require additional information, please visit pitchinracine.org, or call the Department of Public Works at (262) 636-9126. **Para tener este material traducido a español, llame por favor (262) 636-9121.**
